### Initial presentation of database to the following states:

Rhode Island: During the NGAUS conference, I talked with their new President, Major Rick Taito and gave him two handouts. He has given them to his tech heads and the database is an agenda item for their November Executive Meeting

Ohio: During the conference, gave a copy to their Executive Director, Brig Gen Robert Lawson. He has previewed it and will mention it at their next meeting to see if there is interest.

Colorado: During the Conference, gave a copy to their ANG two star. I have left a voice message with their Executive Director, Bernie Rogoff, and have sent him the presentation file via email.

Colonel Ryder has made initial contact with the following states: Maryland, Connecticut, Massachusetts and Michigan.
